**26B-5-332. Involuntary commitment under court order -- Examination -- Hearing -- Power of court -- Findings required -- Costs.**

(1) A responsible individual who has credible knowledge of an adult's mental illness and the condition or circumstances that have led to the adult's need to be involuntarily committed may initiate an involuntary commitment court proceeding by filing, in the court in the county where the proposed patient resides or is found, a written application that includes:

(a) unless the court finds that the information is not reasonably available, the proposed patient's:

(i) name;

(ii) date of birth; and

(iii) social security number;

(a) the court finds from the application, any other statements under oath, or any reports from a mental health professional that there is a reasonable basis to believe that the proposed patient has a mental illness that poses a danger to self or others and requires involuntary commitment pending examination and hearing; or

(b) the proposed patient refuses to submit to an interview with a mental health professional as directed by the court or to go to a treatment facility voluntarily.

(4) (a) The court shall provide notice of commencement of proceedings for involuntary commitment, setting forth the allegations of the application and any reported facts, together with a copy of any official order of detention, to a proposed patient before, or upon, placement of the proposed patient in the custody of a local mental health authority or, with respect to any proposed patient presently in the custody of a local mental health authority whose status is being changed from voluntary to involuntary, upon the filing of an application for that purpose with the court.

(b) The place of detention shall maintain a copy of the order of detention.

(5) (a) The court shall provide notice of commencement of proceedings for involuntary commitment as soon as practicable to the applicant, any legal guardian, any immediate adult family members, legal counsel for the parties involved, the local mental health authority or the local mental health authority's designee, and any other persons whom the proposed patient or the court designates.

(b) Except as provided in Subsection (5)(c), the notice under Subsection (5)(a) shall advise the persons that a hearing may be held within the time provided by law.

(b) If a case is transferred under Subsection (7)(a), the parties to the case may be transferred and the local mental health authority may be substituted in accordance with Utah Rules of Civil Procedure, Rule 25.

(8) Within 24 hours, excluding Saturdays, Sundays, and legal holidays, of the issuance of a judicial order, or after commitment of a proposed patient to a local mental health authority or the local mental health authority's designee under court order for detention or examination, the court shall appoint two designated examiners:

(a) who did not sign the civil commitment application nor the civil commitment certification under Subsection (1);

(b) one of whom is a licensed physician; and

(c) one of whom may be designated by the proposed patient or the proposed patient's counsel, if that designated examiner is reasonably available.

(9) The court shall schedule a hearing to be held within 10 calendar days after the day on which the designated examiners are appointed.

(10) (a) The designated examiners shall:

(E) that findings resulting from the examination will be made available to the court;

and

(F) that the designated examiner may, under court order, obtain the proposed patient's mental health records; and

(iv) within 24 hours of examining the proposed patient, report to the court, orally or in writing, whether the proposed patient is mentally ill, has agreed to voluntary commitment, as described in Section 26B-5-360, or has acceptable programs available to the proposed patient without court proceedings.

(b) If a designated examiner reports orally under Subsection (10)(a), the designated examiner shall immediately send a written report to the clerk of the court.

(11) If a designated examiner is unable to complete an examination on the first attempt because the proposed patient refuses to submit to the examination, the court shall fix a reasonable compensation to be paid to the examiner.

(12) If the local mental health authority, the local mental health authority's designee, or a medical examiner determines before the court hearing that the conditions justifying the findings leading to a commitment hearing no longer exist, the local mental health authority, the local mental health authority's designee, or the medical examiner shall immediately report the determination to the court.

(13) The court may terminate the proceedings and dismiss the application at any time, including before the hearing, if the designated examiners or the local mental health authority or the local mental health authority's designee informs the court that the proposed patient:

(a) does not meet the criteria in Subsection (16);

(b) has agreed to voluntary commitment, as described in Section 26B-5-360;

(b) In the case of an indigent proposed patient, the county in which the proposed patient resides or is found shall make payment of reasonable attorney fees for counsel, as determined by the court.

772 (15) (a) (i) The court shall afford the proposed patient, the applicant, and any other  
773 person to whom notice is required to be given an opportunity to appear at the hearing, to  
774 testify, and to present and cross-examine witnesses.

775 (ii) The court may, in the court's discretion, receive the testimony of any other person.

776 (iii) The court may allow a waiver of the proposed patient's right to appear for good  
777 cause, which cause shall be set forth in the record, or an informed waiver by the patient, which  
778 shall be included in the record.

779 (b) The court is authorized to exclude any person not necessary for the conduct of the  
780 proceedings and may, upon motion of counsel, require the testimony of each designated  
781 examiner to be given out of the presence of any other designated examiners.

782 (c) The court shall conduct the hearing in as informal a manner as may be consistent  
783 with orderly procedure, and in a physical setting that is not likely to have a harmful effect on  
784 the mental health of the proposed patient, while preserving the due process rights of the  
785 proposed patient.

786 (d) The court shall consider any relevant historical and material information that is  
787 offered, subject to the rules of evidence, including reliable hearsay under Utah Rules of  
788 Evidence, Rule 1102.

789 (e) (i) A local mental health authority or the local mental health authority's designee or

802 proposed patient's counsel at the time of the hearing, and at any time prior to the hearing upon

request.

(16) (a) The court shall order commitment of an adult proposed patient to a local mental health authority if, upon completion of the hearing and consideration of the information presented, the court finds by clear and convincing evidence that:

(i) ~~[the proposed patient has a mental illness]~~ as a result of mental illness and based on recent actions, omissions, or behaviors, the proposed patient:

(A) poses a substantial danger to self or others;

(B) lacks the ability to engage in a rational decision-making process regarding the acceptance of mental treatment as demonstrated by evidence of inability to weigh the possible risks of accepting or rejecting treatment;

(C) lacks the capacity to provide the basic necessities of life, such as food, clothing, or shelter; or

(D) has demonstrated an inability to exercise sufficient behavioral control to avoid serious criminal justice involvement, as described in Subsection (16)(d);

~~[(v)]~~ (iii) the local mental health authority can provide the proposed patient with treatment that is adequate and appropriate to the proposed patient's conditions and needs.

(b) (i) If, at the hearing, the court determines that the proposed patient has a mental illness but does not meet the other criteria described in Subsection (16)(a), the court may consider whether the proposed patient meets the criteria for assisted outpatient treatment under Section 26B-5-351.

(ii) The court may order the proposed patient to receive assisted outpatient treatment in accordance with Section 26B-5-351 if, at the hearing, the court finds the proposed patient meets the criteria for assisted outpatient treatment under Section 26B-5-351.

(iii) If the court determines that neither the criteria for commitment under Subsection

(16)(a) nor the criteria for assisted outpatient treatment under Section 26B-5-351 are met, the court shall dismiss the proceedings after the hearing.

(c) The court shall maintain a current list of patients proposed for civil commitment who qualify for civil commitment under Subsections (16)(a)(i) and (ii), but for whom the local mental health authority is unable to provide treatment as described in Subsection (16)(a)(iii).

(17) (a) (i) The order of commitment shall designate the period for which the patient shall be treated.

(ii) If the patient is not under an order of commitment at the time of the hearing, the patient's treatment period may not exceed six months without a review hearing.

(iii) Upon a review hearing, to be commenced before the expiration of the previous order of commitment, an order for commitment may be for an indeterminate period, if the court finds by clear and convincing evidence that the criteria described in Subsection (16) will last for an indeterminate period.

(ii) At least two weeks before the expiration of the designated period of any order of commitment still in effect, the court that entered the original order of commitment shall inform the appropriate local mental health authority or the local mental health authority's designee of the expiration.

(iii) Upon receipt of the information described in Subsection (17)(b)(ii), the local mental health authority or the local mental health authority's designee shall immediately reexamine the reasons upon which the order of commitment was based.

(iv) If, after reexamination under Subsection (17)(b)(iii), the local mental health authority or the local mental health authority's designee determines that the conditions justifying commitment no longer exist, the local mental health authority or the local mental health authority's designee shall discharge the patient from involuntary commitment and

865 immediately report the discharge to the court.

866 (v) If, after reexamination under Subsection (17)(b)(iii), the local mental health  
867 authority or the local mental health authority's designee determines that the conditions  
868 justifying commitment continue to exist, the court shall immediately appoint two designated  
869 examiners and proceed under Subsections (8) through (14).

870 (c) (i) The local mental health authority or the local mental health authority's designee

881 authority or the local mental health authority's designee shall send a written report of the  
882 findings to the court.

883 (iv) A patient and the patient's counsel of record shall be notified in writing that the  
884 involuntary commitment will be continued under Subsection (17)(c)(iii), the reasons for the  
885 decision to continue, and that the patient has the right to a review hearing by making a request  
886 to the court.

887 (v) Upon receiving a request under Subsection (17)(c)(iv), the court shall immediately  
888 appoint two designated examiners and proceed under Subsections (8) through (14).

889 (18) (a) Any patient committed as a result of an original hearing or a patient's legally

892 within 30 days after the day on which the court order is entered.

893 (b) The petition shall allege error or mistake in the findings, in which case the court  
894 shall appoint three impartial designated examiners previously unrelated to the case to conduct  
895 an additional examination of the patient.

928 medications while committed under this section, discharge instructions provided under  
929 Subsection (20)(a) shall include a clinically appropriate supply of medications, as determined  
930 by a licensed health care provider, to allow the individual time to access another health care

(b) The consultation described in Subsection (2)(a):

(i) may take place at or before the hearing; and

(ii) is required if the local mental health authority appears at the hearing.

(3) If the proposed patient refuses to submit to an interview described in Subsection (2)(a) or an examination described in Subsection (8), the court may issue an order, directed to a mental health officer or peace officer, to immediately place the proposed patient into the custody of a local mental health authority or in a temporary emergency facility, as provided in Section 26B-5-334, to be detained for the purpose of examination.

(4) Notice of commencement of proceedings for assisted outpatient treatment, setting forth the allegations of the application and any reported facts, together with a copy of any official order of detention, shall:

(a) be provided by the court to a proposed patient before, or upon, placement into the custody of a local mental health authority or, with respect to any proposed patient presently in the custody of a local mental health authority;

(b) be maintained at the proposed patient's place of detention, if any;

(c) be provided by the court as soon as practicable to the applicant, any legal guardian, any immediate adult family members, legal counsel for the parties involved, the local mental health authority or its designee, and any other person whom the proposed patient or the court shall designate; and

(d) advise that a hearing may be held within the time provided by law.

(5) The court may, in its discretion, transfer the case to any other court within this state, provided that the transfer will not be adverse to the interest of the proposed patient.

(6) Within 24 hours, excluding Saturdays, Sundays, and legal holidays, of the issuance of a judicial order, or after commitment of a proposed patient to a local mental health authority or its designee under court order for detention in order to complete an examination, the court

shall appoint two designated examiners:

(a) who did not sign the assisted outpatient treatment application nor the certification described in Subsection (1);

(b) one of whom is a licensed physician; and

(c) one of whom may be designated by the proposed patient or the proposed patient's counsel, if that designated examiner is reasonably available.

(7) The court shall schedule a hearing to be held within 10 calendar days of the day on which the designated examiners are appointed.

(8) The designated examiners shall:

(a) conduct their examinations separately;

(b) conduct the examinations at the home of the proposed patient, at a hospital or other medical facility, or at any other suitable place that is not likely to have a harmful effect on the proposed patient's health;

(c) inform the proposed patient, if not represented by an attorney:

(i) that the proposed patient does not have to say anything;

(ii) of the nature and reasons for the examination;

(iii) that the examination was ordered by the court;

(iv) that any information volunteered could form part of the basis for the proposed patient to be ordered to receive assisted outpatient treatment; and

(v) that findings resulting from the examination will be made available to the court;

and

(d) within 24 hours of examining the proposed patient, report to the court, orally or in writing, whether the proposed patient is mentally ill. If the designated examiner reports orally, the designated examiner shall immediately send a written report to the clerk of the court.

(9) If a designated examiner is unable to complete an examination on the first attempt because the proposed patient refuses to submit to the examination, the court shall fix a reasonable compensation to be paid to the examiner.

(10) If the local mental health authority, its designee, or a medical examiner determines before the court hearing that the conditions justifying the findings leading to an assisted outpatient treatment hearing no longer exist, the local mental health authority, its designee, or the medical examiner shall immediately report that determination to the court.

(11) The court may terminate the proceedings and dismiss the application at any time, including prior to the hearing, if the designated examiners or the local mental health authority or its designee informs the court that the proposed patient does not meet the criteria in Subsection (14).

(12) Before the hearing, an opportunity to be represented by counsel shall be afforded to the proposed patient, and if neither the proposed patient nor others provide counsel, the court shall appoint counsel and allow counsel sufficient time to consult with the proposed patient before the hearing. In the case of an indigent proposed patient, the payment of reasonable attorney fees for counsel, as determined by the court, shall be made by the county in which the proposed patient resides or is found.

(13) (a) All persons to whom notice is required to be given shall be afforded an opportunity to appear at the hearing, to testify, and to present and cross-examine witnesses. The court may, in its discretion, receive the testimony of any other individual. The court may allow a waiver of the proposed patient's right to appear for good cause, which cause shall be set forth in the record, or an informed waiver by the patient, which shall be included in the record.

(b) The court is authorized to exclude all individuals not necessary for the conduct of the proceedings and may, upon motion of counsel, require the testimony of each examiner to be given out of the presence of any other examiners.

(c) The hearing shall be conducted in as informal a manner as may be consistent with orderly procedure, and in a physical setting that is not likely to have a harmful effect on the mental health of the proposed patient.

(d) The court shall consider all relevant historical and material information that is offered, subject to the rules of evidence, including reliable hearsay under Rule 1102, Utah Rules of Evidence.

(e) (i) A local mental health authority or its designee, or the physician in charge of the proposed patient's care shall, at the time of the hearing, provide the court with the following information:

1055 proposed patient's counsel:  
1056 (A) at the time of the hearing; and  
1057 (B) at any time prior to the hearing, upon request.  
1058 (14) (a) The court shall order a proposed patient to assisted outpatient treatment if,  
1059 upon completion of the hearing and consideration of the information presented, the court finds  
1060 by clear and convincing evidence that:  
1061 ~~[(a)]~~ (i) ~~[the proposed patient has]~~ as a result of a mental illness and based on recent  
1062 actions, omissions, or behaviors, the proposed patient:

1065 possible risks of accepting or rejecting treatment;  
1066 (B) has demonstrated an inability to exercise sufficient behavioral control to avoid  
1067 serious criminal justice involvement, as described in Subsection (14)(b);  
1068 (C) lacks the capacity to provide the basic necessities of life, such as food, clothing, or  
1069 shelter; or  
1070 (D) needs assisted outpatient treatment in order to prevent relapse or deterioration that  
1071 is likely to result in the proposed patient posing a substantial danger to self or others;and

1081 avoid serious criminal justice involvement if the individual has been named as a defendant in at

1083 years.

1084 (15) The court shall provide a copy of an order described in Subsection (14)(a) to the  
1085 local mental health authority or the local mental health authority's designee.

1086 (16) Upon receiving an order under Subsection (15), the local mental health authority

1095 shall provide assisted outpatient treatment pursuant to an order approved under Subsection  
1096 (16).

1097 (18) A court order for assisted outpatient treatment does not create an independent  
1098 authority to forcibly medicate a patient.

1099 (19) The court may order the applicant or a close relative of the patient to be the  
1100 patient's personal representative, as described in 45 C.F.R. Sec. 164.502(g), for purposes of the  
1101 patient's mental health treatment.

1102 ~~[(16)]~~ (20) In the absence of the findings described in Subsection (14), the court, after  
1103 the hearing, shall dismiss the proceedings.

1104 ~~[(17)]~~ (21) (a) The assisted outpatient treatment order shall designate the period for  
1105 which the patient shall be treated, which may not exceed 12 months without a review hearing.

1106 (b) At a review hearing, the court may extend the duration of an assisted outpatient  
1107 treatment order by up to 12 months, if:

1109 conditions described in Subsection (14); or

1110 (ii) (A) the patient does not appear at the review hearing;

1153 (2) If the individual in need of commitment is not placed in the custody of the director  
1154 or the director's designee by the person submitting the application, the director's or the

1212 **26B-6-608. Involuntary commitment -- Procedures -- Necessary findings --**  
1213 **Periodic review.**

1214 (1) Any responsible person who has reason to know that an individual is in need of  
1215 commitment, who has a belief that the individual has an intellectual disability, and who has  
1216 personal knowledge of the conditions and circumstances supporting that belief, may commence  
1217 proceedings for involuntary commitment by filing a written petition with the district court, or if  
1218 the subject of the petition is less than 18 years old with the juvenile court, of the county in  
1219 which the individual to be committed is physically located at the time the petition is filed. The  
1220 application shall be accompanied by:

1221 (a) a certificate of a licensed physician or a designated intellectual disability  
1222 professional, stating that within a seven-day period immediately preceding the certification, the  
1223 physician or designated intellectual disability professional examined the individual and  
1224 believes that the individual has an intellectual disability and is in need of involuntary  
1225 commitment; or

1226 (b) a written statement by the petitioner that:

1227 (i) states that the individual was requested to, but refused to, submit to an examination  
1228 for an intellectual disability by a licensed physician or designated intellectual disability  
1229 professional, and that the individual refuses to voluntarily go to the division or an intermediate  
1230 care facility for people with an intellectual disability recommended by the division for  
1231 treatment;

1232 (ii) is under oath; and

1233 (iii) sets forth the facts on which the statement is based.

1234 (2) Before issuing a detention order, the court may require the petitioner to consult  
1235 with personnel at the division or at an intermediate care facility for people with an intellectual  
1236 disability and may direct a designated intellectual disability professional to interview the

petitioner and the individual to be committed, to determine the existing facts, and to report them to the court.

(3) The court may issue a detention order and may direct a peace officer to immediately take the individual to an intermediate care facility for people with an intellectual disability to be detained for purposes of an examination if the court finds from the petition, from other statements under oath, or from reports of physicians or designated intellectual disability professionals that there is a reasonable basis to believe that the individual to be committed:

- (a) poses an immediate danger of physical injury to self or others;
- (b) requires involuntary commitment pending examination and hearing;
- (c) the individual was requested but refused to submit to an examination by a licensed physician or designated intellectual disability professional; or
- (d) the individual refused to voluntarily go to the division or to an intermediate care facility for people with an intellectual disability recommended by the division.

(4) (a) If the court issues a detention order based on an application that did not include a certification by a designated intellectual disability professional or physician in accordance with Subsection (1)(a), the director or his designee shall within 24 hours after issuance of the detention order, excluding Saturdays, Sundays, and legal holidays, examine the individual, report the results of the examination to the court and inform the court:

- (i) whether the director or his designee believes that the individual has an intellectual disability; and
- (ii) whether appropriate treatment programs are available and will be used by the individual without court proceedings.

(b) If the report of the director or his designee is based on an oral report of the examiner, the examiner shall immediately send the results of the examination in writing to the clerk of the court.

(5) Immediately after an individual is involuntarily committed under a detention order or under Section 26B-6-607, the director or his designee shall inform the individual, orally and in writing, of his right to communicate with an attorney. If an individual desires to communicate with an attorney, the director or his designee shall take immediate steps to assist the individual in contacting and communicating with an attorney.

(6) (a) Immediately after commencement of proceedings for involuntary commitment,

1268 the court shall give notice of commencement of the proceedings to:

1269 (i) the individual to be committed;

1270 (ii) the applicant;

1271 (iii) any legal guardian of the individual;

1272 (iv) adult members of the individual's immediate family;

1273 (v) legal counsel of the individual to be committed, if any;

1274 (vi) the division; and

1275 (vii) any other person to whom the individual requests, or the court designates, notice

1276 to be given.

1277 (b) If an individual cannot or refuses to disclose the identity of persons to be notified,

1278 the extent of notice shall be determined by the court.

1279 (7) That notice shall:

1280 (a) set forth the allegations of the petition and all supporting facts;

1281 (b) be accompanied by a copy of any detention order issued under Subsection (3); and

1282 (c) state that a hearing will be held within the time provided by law, and give the time

1283 and place for that hearing.

1284 (8) The court may transfer the case and the custody of the individual to be committed

1285 to any other district court within the state, if:

1286 (a) there are no appropriate facilities for persons with an intellectual disability within

1287 the judicial district; and

1288 (b) the transfer will not be adverse to the interests of the individual.

1289 (9) (a) Within 24 hours, excluding Saturdays, Sundays, and legal holidays, after any

1290 order or commitment under a detention order, the court shall appoint two designated

1291 intellectual disability professionals to examine the individual. If requested by the individual's

1292 counsel, the court shall appoint a reasonably available, qualified person designated by counsel

1293 to be one of the examining designated intellectual disability professionals. The examinations

1294 shall be conducted:

1295 (i) separately;

1296 (ii) at the home of the individual to be committed, a hospital, an intermediate care

1297 facility for people with an intellectual disability, or any other suitable place not likely to have a

1298 harmful effect on the individual; and

1299 (iii) within a reasonable period of time after appointment of the examiners by the court.

1300 (b) The court shall set a time for a hearing to be held within 10 court days of the  
1301 appointment of the examiners. However, the court may immediately terminate the proceedings  
1302 and dismiss the application if, prior to the hearing date, the examiners, the director, or his  
1303 designee informs the court that:

1304 (i) the individual does not have an intellectual disability; or

1305 (ii) treatment programs are available and will be used by the individual without court  
1306 proceedings.

1307 (10) (a) Each individual has the right to be represented by counsel at the commitment  
1308 hearing and in all preliminary proceedings. If neither the individual nor others provide counsel,  
1309 the court shall appoint counsel and allow sufficient time for counsel to consult with the  
1310 individual prior to any hearing.

1311 (b) If the individual is indigent, the county in which the individual was physically  
1312 located when taken into custody shall pay reasonable attorney fees as determined by the court.

1313 (11) The division or a designated intellectual disability professional in charge of the  
1314 individual's care shall provide all documented information on the individual to be committed  
1315 and to the court at the time of the hearing. The individual's attorney shall have access to all  
1316 documented information on the individual at the time of and prior to the hearing.

1317 (12) (a) The court shall provide an opportunity to the individual, the petitioner, and all  
1318 other persons to whom notice is required to be given to appear at the hearing, to testify, and to  
1319 present and cross-examine witnesses.

1320 (b) The court may, in its discretion:

1321 (i) receive the testimony of any other person;

1322 (ii) allow a waiver of the right to appear only for good cause shown;

1323 (iii) exclude from the hearing all persons not necessary to conduct the proceedings; and

1324 (iv) upon motion of counsel, require the testimony of each examiner to be given out of  
1325 the presence of any other examiner.

1326 (c) The hearing shall be conducted in as informal a manner as may be consistent with  
1327 orderly procedure, and in a physical setting that is not likely to have a harmful effect on the  
1328 individual. The Utah Rules of Evidence apply, and the hearing shall be a matter of court  
1329 record. A verbatim record of the proceedings shall be maintained.

(13) The court may order commitment if, upon completion of the hearing and consideration of the record, it finds by clear and convincing evidence that all of the following conditions are met:

(a) the individual to be committed has an intellectual disability;

(b) because of the individual's intellectual disability one or more of the following conditions exist:

(i) the individual poses an immediate danger of physical injury to self or others;

(ii) the individual lacks the capacity to provide the basic necessities of life, such as food, clothing, or shelter; or

(iii) the individual is in immediate need of habilitation, rehabilitation, care, or treatment to minimize the effects of the condition which poses a threat of serious physical or psychological injury to the individual, and the individual lacks the capacity to engage in a rational decision-making process concerning the need for habilitation, rehabilitation, care, or treatment, as evidenced by an inability to weigh the possible costs and benefits of the care or treatment and the alternatives to it;

(c) there is no appropriate, less restrictive alternative reasonably available; and

(d) the division or the intermediate care facility for people with an intellectual disability recommended by the division in which the individual is to be committed can provide the individual with treatment, care, habilitation, or rehabilitation that is adequate and appropriate to the individual's condition and needs.

(14) In the absence of any of the required findings by the court, described in Subsection (13), the court shall dismiss the proceedings.

(15) (a) The order of commitment shall designate the period for which the individual will be committed. An initial commitment may not exceed six months. Before the end of the initial commitment period, the administrator of the intermediate care facility for people with an intellectual disability shall commence a review hearing on behalf of the individual.

(b) At the conclusion of the review hearing, the court may issue an order of commitment for up to a one-year period.

(16) An individual committed under this part has the right to a rehearing, upon filing a petition with the court within 30 days after entry of the court's order. If the petition for rehearing alleges error or mistake in the court's findings, the court shall appoint one impartial

licensed physician and two impartial designated intellectual disability professionals who have not previously been involved in the case to examine the individual. The rehearing shall, in all other respects, be conducted in accordance with this part.

(17) (a) The court shall maintain a current list of all individuals under its orders of commitment. That list shall be reviewed in order to determine those patients who have been under an order of commitment for the designated period.

(b) At least two weeks prior to the expiration of the designated period of any commitment order still in effect, the court that entered the original order shall inform the director of the division of the impending expiration of the designated commitment period.

(c) The staff of the division shall immediately:

(i) reexamine the reasons upon which the order of commitment was based and report the results of the examination to the court;

(ii) discharge the resident from involuntary commitment if the conditions justifying commitment no longer exist; and

(iii) immediately inform the court of any discharge.

(d) If the director of the division reports to the court that the conditions justifying commitment no longer exist, and the administrator of the intermediate care facility for people with an intellectual disability does not discharge the individual at the end of the designated period, the court shall order the immediate discharge of the individual, unless involuntary commitment proceedings are again commenced in accordance with this section.
